Boxline UCL

GROUPAGE SPECIALIST

The RAIL sector from China continues to develop and new opportunities are constantly arising for specialized Consolidators such as Boxline UCL

The **new direct service from Shenzhen** Station is a great opportunity for all South China origins as it is cutting significantly the inland costs from Guangdong Province and also the transit time because of the nearness of the stuffing warehouse.

Boxline UCL is starting to operate as first direct service fm Shenzhen the trade line to Budapest

The first departure with: CUT-OFF Monday the 19th of October
ETD Friday the 23rd of October

and a Transit Time to Budapest of 16 days

Also the transhipments via Budapest to Balkans region: Bulgaria, Romania, Slovenja, Croatia, Serbia will benefit a lot of these new service from Shenzhen.
